

MEN'S MINISTRY

Our ministry to men seeks to encourage friendships and interactions among men so that together we grow as fully devoted followers of Christ. This is done through Bible studies, small groups, men's events, weekend Advances and Connection Groups.

Bible Studies

- Wednesday mornings at 6 am in Room C120 in the Kidzone. We meet from September to May. All men are welcome to join at any time.
- Fridays at noon a group of men meets at Michael's Restaurant on Washington Street in Bloomington.

Connection Groups

- There are a number of small groups of men who meet throughout the week. They vary in what they do, from more formal Bible study to sharing about life over breakfast or lunch. We are glad to assist in finding or forming a group.
- Connection Groups at Grace Church (the small group ministry) normally consists of co-ed meetings, but each group provides opportunities for the men to spend time together. The frequency of these men-only gatherings is up to each individual group.

Men's Events

- Three times a year we hold a Men's Breakfast on a Saturday morning at the church. There is great food, a speaker and plenty of conversation around the tables.
- As men's events are held around our area we make men from Grace Church aware of them and at times attend them as a group.

Men's Advance

- Every 18 months we plan a weekend Men's Advance where we get out of town together for a Friday night and Saturday, returning on Saturday night. There is a speaker along with opportunities for men to strengthen friendships or form new ones!
- Next Men's Advance – visit gracenormal.org Calendar of Events to find out when!
