Dave & Karen both came to know Christ through the Navigators ministry in college and joined their staff in 1977. During their ministry years at ISU ('84-'89), they attended Grace Church. They then moved to East Asia and led the Navigator ministry in China for over 20 years.

During the last seven years of that assignment, Dave and Karen joined the Asia Pacific Leadership Team and moved from Taiwan to Malaysia and were responsible for coaching the ministry's leaders in Mongolia, Taiwan, the Philippines, Vietnam, Singapore, Malaysia, and Thailand. They returned to the US in 2016 and now coach and mentor Navigator collegiate staff in the North Central Region (N. and S. Dakota, Wisconsin and Minnesota) and are focused on shepherding and bringing Biblical perspective and resources to the staff on their campuses.
