

# John & Linda Berger

---

Serving with: International  
Students, Inc

[jwberger@ilstu.edu](mailto:jwberger@ilstu.edu)

Meeting at ISU, John and Linda married in 1973 and settled into their life and work. As their sons left home, they began to explore how God could use them in the next phase of their lives. They completed the Perspectives on the World Christian Movement course, which confirmed their call to missions and opened their eyes to the needs of international students on campuses in Bloomington/Normal. They joined the staff of International Students, Inc. in 2003, whose motto is to Share Christ's Love with International Students.

The Bergers work with international students at ISU, IWU, HCC, Lincoln Christian Univ., and Lincoln College, mobilizing individuals, families, churches, and American students to reach out to international students. They do this through facilitating Friday night outreaches, the Meet & Greet Program for welcoming newly arriving students, Furniture Give-Away, Discovery Bible Studies and many other special events and activities which foster friendship evangelism and discipleship.
