Pastor Florin grew up in a Christian family and studied in Abrud. In 1983, he accepted Christ and was baptized. After marrying, the Botars moved to Campeni in 1987. In 1997 Florin began serving the Lord as a minister, was ordained and continued studies in theology at the Baptist Seminary in Bucharest. His work as a pastor includes a strong emphasis on evangelism, preaching, prayer, and visiting people in their homes.

Pastor Florin joined MissioLink in 2001 and now ministers as the only itinerant-style pastor in Baia de Aries, Ponorel, and Sohodol. He works to plant new churches in other villages in the area and conducts multiple Sunday services. A group of believers are trained through Biblical Education by Extension (BEE) to help with the churches and with the new planting. One goal for the ministry is to grow up new leaders through BEE studies. He is also involved in ministry at two orphanages in Abrud and Baia de Aries together with Pastor Aurel Rodean. Pastor Botar has a heart for the children and youth of Romania, and actively participates in a MissioLink sponsored youth camp (ages 10+) every other year, in cooperation with Grace Church. He and Magda have two adult daughters who also help teach at this camp near Sibiu.
