After graduating from ISU Matt went on STINT with Athletes in Action for a year in the Czech Republic. He then joined the staff of Campus Crusade for Christ (*now Cru*) and served on campuses in Michigan and Indiana. After marrying Sally in 2002 they moved to Xenia, OH which is the headquarters for Athletes in Action (AIA).

Matt has served as the Great Lakes Regional Director since 2011, shepherding campus staff as they lead spiritual movements in the athletic departments on 60 college campuses in Indiana, Illinois, Michigan and Ohio. They are trusting God to raise up laborers to launch spiritual movements on all 288 campuses in the region by 2025, so that every athlete on every team in every sport has a chance to hear the gospel and use their influence to reach their campuses, communities and the world for Christ. Sally is a more active member of the regional team with Matt now, coaching a number of female team leaders in the region and providing staff care to those who need it. Together they shepherd and serve some 120 campus staff, interns and volunteers.
