

Mark & Kathy Lipic

Serving with: Team Expansion
lipicbunch5@gmail.com

Mark and Kathy have been active in numerous ministries over the years and went on many overseas mission trips, growing in their desire to reach the unreached. They participated in TOAG (Training Ordinary Apprentices to Go) which is a 10-month intensive training for believers aiming to work primarily among Muslims and eventually were led to go to a foreign harvest field.

They joined Team Expansion in spring 2017 and left for Catania, Sicily, part of Italy, in May 2018 to do evangelism and discipleship among the huge numbers of refugees there. The Lipics and their team incorporate biblical stories, using resources like the Jesus film, at various gatherings such as their soccer outreach to evangelize and then begin discipleship relationships as they seek to begin Church-planting movements.
