Hruda responded to God's call to full-time ministry in 1998. He worked diligently for many years to attain degrees in Theology, Divinity and Missiology, culminating with a PhD in those areas. He was a pastor for 4 years, an adjunct professor to Grace Bible College & Seminary for 4 years, and was Dean of Academics at Pax Christiana Bible College & Seminary for two years. Christa publicly declared Jesus as Lord and Savior and was baptized in 1993. She went on to earn an MDiv.

For the last 10 years, Hruda has served at Mission India Theological Seminary as a faculty and Dean of Academics. He founded Missional Yatra India in 2012, which trains lay-leaders in Nagpur, provides a tutoring program for the children in the slums of New Panchsheel Nagar and Asheervad Nagar, and has church planting ministries at Samta Nagar and Asheervad Nagar. Christa has been teaching the grass-root trainees in MITS as an adjunct, assisting in the tutoring time for poor children and focusing on evangelism and church planting at Asheervad Nagar, Nagpur.
