New Tribes Mission

dwight_sharp@ntm.org

Dwight & Ginny joined New Tribes Mission and left for Indonesia in 1973. They worked in West Kalimantan with the Embaloh people until 1996. After the New and part of the Old Testament were translated and the Church was established, the Sharps moved to the Philippines. They lived and worked in Mindanao until 2009, when they returned to the US to minister to family. Ginny continued to do translation consulting for NTM for some years and Dwight has been active in jail ministry. They minister to their family and Dwight and his son began a woodworking business, Sharp Woodworks. Ginny's book, *From Darkness to Light; the Transforming Power of the Gospel*, can be found in our church library. Check it out!
