Bob & Pat met while studying at Moody then came to ISU, graduating as teachers in 1968. While at Grace they received a clear calling to be teachers of missionary kids, and went with TEAM to Christiansen Academy in Venezuela, where they served from 1971 to 1986. Bob remained on TEAM's staff in Wheaton and retired in 2013. Pat worked at Wheaton College for 11 years and then moved to TEAM where she retired after 11 years in 2010. Currently they are involved with Exodus World Service, an organization welcoming and settling refugees to the Chicago area. This is in addition to their work with their local church.
