

VOLUNTEERING WITH CHILDREN OR YOUTH AT GRACE

When you work with children or youth at Grace you have the opportunity to influence a young life for Christ. By serving, you may also provide the opportunity for a parent to attend worship or class. You can work in Sunday school, Youth Group, holding babies in the nursery, or tutoring in One by One, etc.

Here's how to get ready to volunteer:

- Express an interest to one of the Pastors or Children's Ministry Director, Kelly Graeber
- Take the Child Protection Class
- Complete a Grace Church Children's/Youth Ministries Application Form
 - Adult Form for those 18 and over
 - Youth Form for those age 14-17
- Participate in other trainings at Grace, such as First Aid/CPR, Helping Children From Hard Places, weather-related preparedness.

Find applications forms under Forms and Applications. Contact Children's Ministry Director, Kelly Graeber, Kelly@gracenormal.org or 309.452.5076 for more information.
