Ministry...

Matt spent his high school years in Normal with his family, and then graduated from ISU. After graduating, he went on STINT with Athletes in Action for a year in the Czech Republic. Then he joined the staff of Campus Crusade for Christ (now Cru) serving on campuses in Michigan and Indiana, where he met Sally who was also on staff. In 2002, they married and moved to Xenia, OH, which is the headquarters for Athletes in Action (AIA). They have three children: Ava, Cooper and Hudson.

Matt currently serves as the Great Lakes Regional Director, shepherding campus staff as they lead spiritual movements in the athletic departments on forty-eight college campuses in Indiana, Illinois, Michigan and Ohio. They are trusting God to raise up laborers to launch spiritual movements on all 288 campuses in the region by 2025, so that every athlete on every team in every sport has a chance to hear the gospel and use their influence to reach their campuses, communities and the world for Christ.

Sally works outside the home one day a week training new AIA staff and shepherding the campus staff women in the region.
