Ministry...

Don grew up at Grace Church, which his parents, Ernest and Leta Kinzer, helped to start. Don and Joan now work with 50 other home missionary couples helping US churches establish Word of Life Clubs as their church's youth ministry. This ministry seeks to help young people establish habits of Christian discipline at a young age.

There are over 1300 Word of Life Clubs nationwide. The Kinzers are responsible for 59 clubs in 35 churches discipling over 1100 children and teenagers.

The Kinzers have now been missionaries with Word of Life Local Church Ministries for more than 45 years. They served in North Carolina for 25 years most recently before moving to TX in 2014. They have a greater volume of ministry now than ever before investing in the lives of young people."
