Ministry...

Todd grew up in Tremont, IL. After studying at Illinois Central, Moody and Wheaton, he became a youth pastor in Tremont for two years. He joined Josiah Venture's staff in E. Europe in 1994, living in the Czech Republic for seven years and in Romania for four. During this time he and Hannah met and then married in 2001.

They moved from Timisoara, Romania to Tacoma, WA in 2008. Todd and Hannah are now part of the Servant Leadership Team of the Soma Family of Churches. Soma helps plant churches around North America, Eastern and Western Europe, Australia, Japan, and India. Todd's role involves training, coaching, and resourcing church planters in more than a dozen countries and numerous cities throughout North America. Hannah's role involves being an amazing Mom to 4 kids, discipling women that are part of their local church in Tacoma, and hosting church leaders from around the world that often stay in their home. The Morr's have also been involved with fostering children in recent years.
