# *Ministry...*

Sue felt called to join Campus Crusade for Christ in 1966. She was chosen to be on the University Ambassador Team to begin the CCC campus ministry in England. She met Paul on staff in England and they married in 1969. From 1974 they spent 17 years in France, establishing the campus ministry and a ministry to help “evangelical” Catholics evangelize their own people. They returned to the states in 1991 as their children began attending college. Paul traveled to many countries to teach leadership seminars and prepare Jesus Film projects and showings.

Paul went to be with the Lord in 2010 after a battle with cancer. Sue has retired from Cru. She loves hospitality, one-on-one discipleship, and mentoring women in difficult circumstances. Over the last few years, she has devoted her energies to providing housing to her children and caring for her grandchildren. Sue continues mentoring and meeting with women in a small group. She has an evangelistic group with 4 neighbor women.
