Ministry...

Terry, an MK, and Dana, a pastor's daughter, met in college, married three days after graduation, then spent four months in Trinidad. They joined Berean Mission and served in Grenada for 12 years. There they built churches, replanted a church, built a youth camp, started a Christian school, and by the end of that time seven churches had been established.

In England, where they lived for nearly 30 years, the Martins first desired to plant churches but soon found that helping small struggling churches was much more needful, effective, and efficient. Before returning to the US in May 2013, Terry was also a Church Consultant, going to small struggling churches across England with a program to help them grow. They were able to help 31 churches in that Consultant ministry. They now continue to seek ministry opportunities and rejoice in God's provision to serve both at home in their local church and abroad as the invitations come in.
