# *Ministry...*

Carl and Barb met at Moody in 1955, and married upon graduation. After pastoring for a brief time, they joined TEAM and left the U.S. in 1966 with 3 children to serve in the United Arab Emirates [UAE]. They served at Oasis Hospital, Carl supervising maintenance and construction, and Barbara doing hospital administration.

They studied Beduin Arabic, and in 1972 began a work in the capital, Abu Dhabi, doing Arab Bible studies, and having church in their home for expatriates. Carl also supervised construction of two housing structures and a church with grants of land from the government. In 1988 the Sherbecks began church planting efforts in Dubai until the end of their ministry. They spent over 36 years in the Arabian Gulf.

The Sherbecks returned to UAE in late 2013 for a visit where one church celebrated its 10th anniversary. They honored the Sherbecks also for their part in building the Church in these UAE cities.
