

WORSHIP

Worship Team

We look for worship team members who delight in the Lord with all their heart, seek after humility in their musical talents, and encourage one another in brotherly love.

Worship teams for Sunday worship services are comprised of a core ensemble that may include the following:

- vocals
- piano
- keyboard
- bass
- acoustic guitar
- electric guitar
- drums
- auxiliary percussion

Rehearsals are Thursday evening 6:30-8:00

Sound and media team

These are technically gifted volunteers that serve each week in the area of sound, computer graphics, video and song lyrics.

Seasonal Mixed Choir

If you love singing and would like to be a part of a seasonal larger vocal group you might consider joining the choir! This mixed SATB ensemble ranges from high school to senior adult and is open to everyone. No audition required. Rehearsals are on Thursday evenings at 6:00pm throughout the Christmas and Easter seasons.

All worship team positions are by audition only.
